Construction Environment, Inc.
5655-D General Washington Drive
Alexandria, Virginia 22312

Subject: GS-11B-19068, Bid Package No. 1, Site, Foundation, and
Parking Deck, CIA Headquarters Expansion, Langley,
Virginia, Appeal of The George Hyman Construction Company,
Caisson Dispute, GSBCA No. 7913

Gentlemen:

Reference is made to the attached letter from our GSA trial council
relative to the above subject.

The attached letter is self-explanatory and the purpose of my letter
is to suggest the following method of providing compensation for the
"third party" witnesses and/or technical assistance required by our
Mr. Harrington.

For CEI employees and Mr. Dan Knotts, who was previously employed
by CEI:

1. After the required services have been provided and the
appropriate fees, rates and other cost items have been
discussed/negotiated with the writer, all invoices are to be
forwarded to this office for endorsement.
2. Payment to CEI will be made through the existing services
contract by change order.
3. CEI will make the appropriate payment to Mr. Dan Knotts.

Your cooperation in this matter is greatly appreciated. Please contact
me if there are any questions with the above.

Sincerely,

Arthur J. Carlucci
Project Manager
Headquarters Expansion Project
